- Notes:
1. There is no special interest between any of the candidates for Director and the Company.
 2. The opinion of the Audit and Supervisory Committee regarding nomination, remuneration etc., of Directors is as follows. As members of the "Nomination and Compensation Committee" (the majority of which are outside Directors), which was established voluntarily, all members of the Audit and Supervisory Committee made deliberations according to the criteria and procedures stipulated in the Company's "Corporate Governance Guidelines" and participated in processes to report to the meeting of the Board of Directors. Having reexamined the above, the Audit and Supervisory Committee has determined that the procedures for nominating candidates for Director who are not Audit and Supervisory Committee Members are appropriate and each candidate is eligible to be a Director of the Company. The Committee has also determined that the procedures for determining the remuneration, etc., of Directors who are not Audit and Supervisory Committee Members are appropriate and the details of the remuneration, etc. are reasonable.
